Analog

Are slides on site?

Yes / **No**

Retrieve slides from file / Retrieve slides from off-site location

↓

Bring slides to pathologist for review

↓

Recuts needed?

Yes / **No**

Retrieve blocks from file / **Pathologist completes workflow using glass slide process**

↓ / ↓

Send to Histology; slides made / **All slides refiled on or off-site**

🕐 🕐 **2-4 Days**

WHAT CAN GO WRONG?

⚠️

- Misfiled slides
- Broken slides
- Lost slides
- Recuts = Additional work = Cost
- Time delays = Work delays = Cost

All of these items increase an organization's liability for loss of important patient material and the cost of maintaining slide files
